Lightpost

Current Members may have received a welcome email from Lightpost to create a new password. Lightpost is an app we are using that will include our church directory, calendar, prayer request and several other features that we will implement in the coming months. You will be able to update your own contact information as it changes. Your year of birth may be incorrect since I do not know the year that everyone was born. You can correct it or leave it as is. I am currently working on adding the photos into the directory.

If you are not interested in using the app, just disregard the email. If you did not receive the welcome email and would like to use the app or have questions, please contact Charlene Hooten at office@webercofc.com.

Printed directories for current members have been mailed out to those who requested a copy.

If you have any questions, please contact Charlene Hooten at office@webercofc.com. Thanks and enjoy using the app. –Charlene
