While 2020 was definitely a year that will not be forgotten, the new year is one that we can look forward to welcoming with anticipation and promised opportunities. Here are three Bible verses to consider this year:

1st—**Ephesians 2:10** *"For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."* (ESV) Notice that those works and opportunities are prepared by God Himself! Yes! God works in providential ways to give you ways to serve Him and others every day. Don't let those opportunities to share Christ and be His ambassadors pass you by.

2nd—**Romans 12:4-5** *"For as in one body we have many members, and the members do not all have the same function, ⁵ so we, though many, are one body in Christ, and individually members one of another."* In any year and particularly in the event of a world changing virus, Christians must remember to do our part in looking after and loving our family of God. If you need to talk to someone, please call a church family member, minister, elder, their wives, or another who will give you godly encouragement. Spend time each week doing something that will lift up your church family such as sending an email, mailing a postcard, making a phone call, praying for others, texting a fellow Christian, or any other way of building up the Weber Road family. Remember that we are "one body" with "many members!"

3rd—**I John 2:6** *"whoever says he abides in him ought to walk in the same way in which he walked."* That sounds like a daunting statement! How can we, as humans, possibly walk as Jesus walked? Yet, it is an inspired statement that we are charged to follow. Spend much time this year reading and studying Jesus, our Savior and King. Let Him change you and shape your view of life. Conform to His standards and allow Him to be seen in your life as you live for Him and as you walk as He walked. Make Jesus the focal point of your life this year.

By no means are these the only or even the most important verses for 2021, but all three verses will make a difference in your life, the life of the church and in the lives of everyone who is in your life. May you bring glory to God by your faithfulness to Him! -Mark Hammitt

A lot of things happened in 2020. There were some challenges and victories. Ultimately as we look back onto 2020 we will see God still actively working in the lives of His children. We at Weber experienced the drastic change from regular services and activities to limited interactions with others. We faced the hurdle of virtual learning opportunities for every age. We encouraged shut-ins by simply driving by and honking our horns. We saw births but also deaths. We witnessed some being born again in baptism. We faced every challenge with grace and dignity. Here are but a few pictures of the year 2020 and the things that were accomplished. We could not fit everything, but here are a few highlights of Weber Road's year in review. We love each and every one of you. May God continue to bless each one of His beloved children in 2021.

Our Bible Bowl competition is rescheduled for January 17 at 3 PM. We know that many hours have been spent preparing for these tests! We could not be more proud of your hard work!
