*"For as one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another." (Romans 12:4-5)*

## ABORTION—TRUTH AND COMPASSION

The topic of abortion has taken a prominent place in public discourse after the Supreme Court's ruling earlier in July. Many are very upset while many are elated. It has become a very divisive issue that will surely continue to be the focus of our attention especially with mid-term elections coming in November.

Even some Christians have been drawn into the unbiblical idea that abortion is morally acceptable. Perhaps they are well meaning in their concern for women, but that doesn't change the undeniable fact that the woman is not the only life to consider. On the other hand, some Christians have expressed things about those who are "pro-choice" with terminology that is unbecoming of God's people. Perhaps they hold strong beliefs and have the lives of unborn babies in mind, yet we must always conduct ourselves appropriately as ambassadors of Christ. **(1 Cor 5:20)** Above all, we must remember at least two things that should guide us as Christians.

**First, the TRUTH must be spoken and followed.** LIFE is precious, both the life of the woman and the baby in her womb. Who would have imagined that within 50 years of the Roe vs Wade decision that babies would be partially delivered only to have their lives extinguished in what is often called a "partial birth" abortion? Because of modern science and technology we can now see in the early weeks of a pregnancy with great detail, that a "fetus" is not just a "glob of cells," but a living, human being. God told Jeremiah, *"Before I formed you in the womb I knew you."* **(Jer 1:6)** David wrote by God's inspiration, *"For you formed my inward parts; you knitted me together in my mother's womb. 14 I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well."* **(Psa 139:13-14)** Christians must proclaim the God approved truth that every life is precious in the eyes of God and that includes both the woman and the baby.

**Second, we must show COMPASSION.** While the Christian must defend the right of the woman to live and for the baby to be born, we must also have compassion for those who are looking for assistance and help. When an unwanted pregnancy occurs, many become desperate and confused. Let us be there to love, forgive and guide those looking for answers to their problems. Throughout the country, there are helpful organizations where women can get counseling and help that will NOT end with the death of a child. We can support these types of organizations as we remember that compassion is a godly characteristic found throughout Scripture!

This article is not intended to answer all the "what ifs" concerning unwanted pregnancies, but every child of God ought to both profess the TRUTH of God and show the COMPASSION of God every day.
