Thank You Randy and Jonizo!

Last Sunday Brother Randy Calloway announced that he and Jonizo would be moving to San Angelo, Texas. They have been planning to move for quite some time to be closer to their son's family and grandson as well as to enjoy retirement.

Weber Road will certainly miss the Calloways as they have been part of our church family for over 40 years! Randy served as deacon for many years before being appointed as an elder 13 years ago. Brother and Sister Calloway have been Bible class teachers during their years at Weber Road. Randy is known for his love of sharing God's Word and especially his knowledge of the Bible, evolutionary theory and science. Sister Calloway, a retired college professor, has a love for teaching children. Our Weber Road children will especially miss her kind and caring way of teaching class and her devotion outside the classroom to encourage her present and former students. Sister Calloway has also helped with many other areas of church work. When their three children were in the youth group, the Calloways were very active in hosting events in their home (the annual youth group holiday party was at their home for many years). They also chaperoned activities and supported the youth program with words and involvement.

This Christian couple has been a vital part of what Weber Road is all about. Their hearts are Christlike as they desire to help and serve both members and anyone who is in need.

We will truly miss Brother and Sister Calloway for their loving spirit and Christian service. Keep them in your prayers and let them know of your appreciation for their years of encouragement among the Weber Road family. We have a Bible everyone is asked to sign and we will give it to the Calloways. Their address will be posted on the foyer bulletin board. We also look forward to seeing them whenever they come to visit their son and daughter who currently plan to stay in Corpus Christi.

Randy and Jonizo, we love you!

-Mark Hammitt, for the Weber Family

The Church of Christ

Acts 2
