## Sunday Special Edition

<sup>52</sup> **And Jesus increased in wisdom and in stature and in favor with God and man.**

Our son just turned 5 months last Tuesday. It is hard to believe that it has already been 5 months. It has been a great opportunity to see our little bear reach certain development skills. While TW is small, his growth is obvious! He is gaining weight and getting longer every week. He is becoming more vocal. Yet, when I look at myself, I do not see the same drastic changes. What about mental changes? What about Spiritual changes?

Luke makes it a point to state that Jesus grew up in wisdom and stature with God and man. He grew up. The people around Jesus were able to see both the physical, and spiritual changes. Every one of us needs to be able to see changes in our lives as we get older. We should see us putting aside childish things, 1 Corinthians 13:11. As we grow and mature, we do not scream and cry like a child when we are tired or do not get our way. The same needs to be said about us Spiritually. We need to grow into maturity.

Peter writes that we need to long for the Word so that we can grow, like newborns, 1 Peter 2:2. The way we grow is by digging into the Word of God. Paul writes in Ephesians 4, that he gave Apostles, Prophets, Elders, and ministers to equip the saints. These men help instruct or equip us to grow in Christ. As fruits and vegetables grow into maturity they begin to produce fruit. I have one tomato plant that is starting to produce tomatoes. That plant is growing. Those who are Spiritually growing are also producing fruit; love, joy, peace, patience, kindness, goodness, gentleness, and self-control. Are you growing and maturing with God and man?
