## Sunday Special Edition

Hard to believe that it is already a brand new year! To me, it still feels like just yesterday that I was driving Jennifer, and little TW home from the hospital. It feels like only a short time ago that we started our work here at Weber Road. Yet, time continues to move forward. What have you been able to accomplish with your time over the last year? What have we at Weber Road been able to accomplish last year?

Let us look backward for a moment. We have seen through the last few years more familiar faces. We have seen more and more people attending our services in person. We are still missing others who, for good reason, have been watching online. We are praying fervently that soon we can be united again safely! We were ABLE TO GO TO CAMP!! Camp was a great experience, even though we did not play our slip-n-slide kickball game. Yet we saw several baptisms and others asking for prayers. It was a great spiritually uplifting week! We were able to have our Bible Bowl competition! It is always a blessing to see many give up a Saturday to compete in a Bible competition. I am proud of each of our competitors. Finally we started potluck meals! I know several who were excited to share a meal together at the building!

As you can see, 2021 was filled with several awesome things! Were you apart of them? I want to encourage you in 2022 to be apart of the things going on at Weber! You can physically be present and even be mindful and pray for these events. I hope in 2022 that we continue to do great things! We love you all! You are always in our thoughts and prayers!
