Sunday Special Edition

It is hard to believe that school is back in session! How are you going to serve this school year? How can you glorify God this school year? I saw a post recently about a teacher who wanted to go into the mission field and be a missionary. The teacher chose to teach because she believed that public school is one of the biggest mission fields in America. Let that sink in for a moment. Jesus told his Apostles and by extension us that we need to go spread the Gospel (Matthew 28:19-20, Mark 16:15-16). So what are you doing in this mission field? I personally know of several godly Christian teachers letting their influence and example shine in their classrooms. There are many Christian students that are using their time during the day to shine their lights.

You may be asking yourself how can I be better at shining my light. One key is to pray for boldness like the apostles. Pray for boldness to speak up or to say a prayer. Be bold in carrying a Bible or reading a Bible in your spare time at school. Second, stand out and be different. 1 Peter 1:16, states that we need to be holy (sanctified, SET APART) for God is holy. We need to be in the world but not of this world. We need to be different. Maybe you ask those around you at the lunch table for a time of prayer. Maybe on the sports field you don't engage in the exchange of dirty jokes or language. Maybe you do not let your anger get the better of you. Be different! Third, spend time with God's people! We all need family time! We as a church need to spend time with our Spiritual family. Take some time and spend it with your church family!

We love you all! We are so proud of each of you! Keep the faith! ~KP
